From: Dr. Xingzhong Xu  
Professor, School of Mathematics and Statistics  
Beijing Institute of Technology

To: The Editor  
Statistica Sinica

Dear Editor,

We have attached our manuscript “ LEAST FAVORABLE DIRECTION TEST FOR MULTIVARIATE ANALYSIS OF VARIANCE IN HIGH DIMENSION” and would like to be considered for publication in Statistica Sinica. If you have any question, please feel free to contact me by email.

Best regards,

Xingzhong Xu
